To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzes reviews to verify trustworthiness.

Question: im 5'10 and 200lbs, what size should i get?

Answer: I'm 5'11" 185 lbs so I went with a Large but it was quite huge an tent like, returned it. Tried a Medium, a bit too tight so I returned it too. Their sizes seem off.

Answer: My son bought this. He is almost 6'. He likes his shirts long (for style). It hangs below his waist about mid buttocks. We have washed it several times and it has not shrunk. He is a 16 year about 165 lb, average build. He bought a XL.
